

# Stone Crossing

A neighborhood bridging nature and home:

- Luxury homes on one-third acre lots
- Privacy and views
- 21.9 acres of preserved native terrain
- Three ponds with a rock-terraced amphitheater & plaza with open pavilion at Water's Edge
- Connections to the La Foret Trail and Santa Fe Trail
- Mary Kyer Park and da Vinci Academy, a District-20 School, are within walking distance of community

Site plan is preliminary design. Perimeter properties are not identified. All concepts, designs, drawings, dimensions, landscaping and availability for this site plan represent the plans and guidelines for Stone Crossing as currently proposed and as such are subject to change without notice at the sole discretion of Woodmont Development Company, LLC.
